CAUTION

Contains Portland cement. Freshly mixed cement, mortar, concrete or grout may cause skin or eye injury.

TAKE THESE PRECAUTIONS:

- Avoid all contact with eyes.
- Wear rubber boots and gloves, and avoid prolonged contact directly with skin or through porous materials.
- If irritation persists, get medical attention promptly.
- Keep children away.

TERMS

Ready mix concrete and other building materials (unless otherwise quoted) are sold cash on delivery, unless prior arrangements have been made. All materials, sold on account, are sold net 15 days, provided all previous accounts have been paid.

A 1.5% service charge per month (18% annual rate) will be applied to all past due accounts. If purchase defaults under these payment terms and conditions when due, purchaser shall be liable for and pay all costs, charges, and expenses, including reasonable attorney's fees, incurred by The Wells Group, LLC in the collection of past due accounts.

UNLOADING

Drivers are prohibited from delivering concrete except under the truck's own power and where site conditions permit the safe and proper operation of his equipment. Drivers are not permitted to add water to the mix to exceed the maximum slump nor to go beyond the curb line, except upon the authorization of the customer and his acceptance of risk for any loss or damage.

1 hour allowed for unloading. Excess time charged at rate of \$120.00 per hour for each hour thereafter. Purchaser shall provide suitable roads for delivery, otherwise, delivery will be made at the curb or edge of paved road. All wrecker fees for mixed trucks will be charged to purchaser. If purchaser desires to cross walks, curbs, drives, yards, etc., same will be done only at purchaser's or purchaser's agents' risk.

All concrete strengths (P.S.I.) calculated at a 4" slump. We do not assume responsibility for strength or quality of concrete when slumps in excess of 4" are ordered. We do not assume responsibility for slump, strength or other qualities or performance of the concrete when water or any other material is added by the purchaser or at his request. Our responsibility ceases immediately upon delivery. All loss or damage by the elements or from any other causes after unloading is at the purchaser's risk. Any shortages must be reported to the plant manager while concrete is in the plastic state so measurements can be made.
