**WARRANTY DISCLAIMER:** All warranties either expressed or implied, are void if water is added to the concrete to increase the slump over the maximum limit indicated below, or if the concrete has been in the truck for more than 90 minutes. Our concrete strength guarantee per ASTM C-94 will not be effective unless field sampling and handling has been done per ASTM C-172 and ASTM C-31 and the test lab complies with ASTM C-39 and ASTM-329.

**OFF ROAD DELIVERIES:** If Purchaser orders delivery beyond the paved street or curb line, the Purchaser states that he or she has full authority to permit delivery to the requested delivery site, and agrees to provide adequate roadways or approaches to the point of delivery. The Purchaser understands that Ernst does not assume any liability or responsibility for any damage to real or personal property caused by the concrete truck when it leaves the available paved street or curb line. The Purchaser agrees to hold harmless Ernst for any such property loss or damage incurred as a result of this delivery, and also agrees to indemnify Ernst for any damage to Ernst's equipment, or other loss caused by any condition on the property, including wrecker charges for any concrete truck that becomes stuck.
