***IMPORTANT* PLEASE READ AND SIGN BELOW**

The applicant agrees to provide a bond in an amount specified by the Director of Public Service for the type of improvement requested per W.C.O. 901.02.

The applicant agrees that all restoration work will be performed in compliance with the City of Wilmington Standard Plans and Specifications.

By making of this application, the applicant agrees to comply with all of the laws of the State of Ohio and Ordinances of the City of Wilmington pertaining to the above-described work and all work incidental to the project. All improvements, repairs, and restoration must comply with City of Wilmington standards and specifications.

The applicant certifies that the information and statements given in this application are true and correct. The applicant covenants and agrees to hold harmless the City of Wilmington from all claims, loss, or damage that may result in any way from the within described improvements, and the applicant agrees to hold harmless the City of Wilmington against all claims, loss or damage resulting from the restoration after making such improvements.

The applicant is responsible for contacting OUPS at (800) 362-2764 and must request the location of all utilities at least 48 hours prior to beginning work. All work outside of the City's right-of-way will require an easement/permission from the property owner.

Lane closures shall occur only between 9 a.m. and 4 p.m. unless specifically approved by the Director of Public Service in writing. Lane closures shall have proper MOT and in accordance with the Ohio Manual Uniform of Traffic Control Devices. Failure to comply with these regulations may result in contractor being removed from site.

I the undersigned agree to perform final restoration within 30 days from completion of work and any lane closures require notification 48-hours prior to beginning work by calling (937) 382-6509.
